DOCTOR OF

NURSING PRACTICE

Clarion and Edinboro Universities' 27-credit DNP Program offers the opportunity to advance skills and education through the study of leadership, policy, population health and clinical practice.

The online, part-time structure accommodates employment while pursuing the DNP degree.

Courses can be taken part-time over five semesters. Students will be admitted in cohorts each May.

This consortium ranked fourth in OnlineU.org's list of the 25 most affordable schools offering online nursing degrees.
