

Multiple Ways to Join a Zoom Meeting

Although you do not need an account to join a Zoom meeting, you do need to download the Zoom app. When you join a Zoom meeting for the first time, you will be prompted to install the Zoom app. Click [Windows](#) or [Mac](#) below (if needed) to view specific browser prompts the first time you join a Zoom meeting.

[WINDOWS](#) | [MAC](#)

The following are examples of the different ways participants may join a Zoom meeting. *Your meeting host may provide specific instructions on how and when to join a meeting.*

1. From a meeting link in D2L, Zoom invitation or email:

In the D2L module, message or invite, click on the link next to **Join from PC, Mac, Linux, iOS or Android**. The meeting will open in a new window.

NOTE: *If you are using Zoom for the first time, you will be prompted to install the Zoom App.*

You are invited to a Zoom meeting now.

Link

If you have a microphone, choose **Join Audio Conference by Computer**; otherwise choose **Phone Call** to use your telephone for audio in the meeting.

2. If you know the Meeting ID:

You can do one of the following to join a meeting when you know the meeting ID:

1. Browse to <https://clarion.zoom.us/>
2. Select **Join a Meeting**
3. Enter the **Meeting ID**
4. If you have a microphone, choose **Join Audio Conference by Computer**; otherwise choose **Phone Call** to use your telephone for audio in the meeting.

Alternatively, if you have previously installed the Zoom app:

1. Launch the Zoom app
2. Click the blue **Join** icon
3. Enter the **Meeting ID**
4. If you have a microphone, choose **Join Audio Conference by Computer**; otherwise choose **Phone Call** to use your telephone for audio in the meeting.

3. Using the Zoom App:

Open the Zoom application and sign in with SSO.

- a. Use the orange icons on the Zoom home screen to **Start** an instant meeting:

- b. If you know the meeting ID, click the **Join** meeting icon:

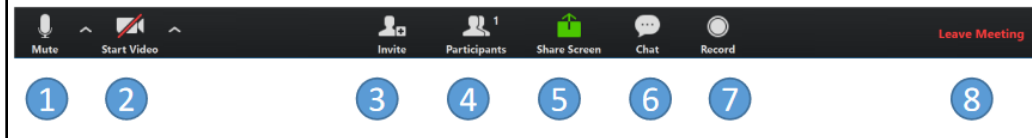

- c. See all scheduled meetings using the **Meetings** tab at the bottom of the Zoom home screen. Click the Start button to join the desired meeting.

In Meeting Controls:

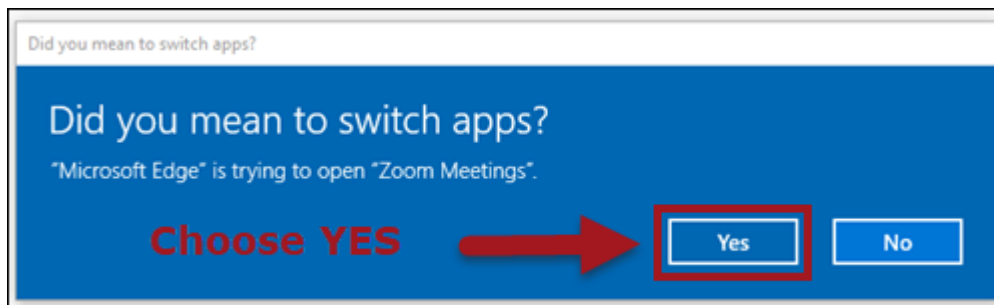

1	Select the Microphone icon to mute and unmute your audio.	5	Select Share Screen to present your desktop with meeting attendees.
2	Select the Video icon to start or stop your webcam.	6	Select the Chat icon toggle the chat screen on and off.
3	Select the Invite icon to invite more attendees or room systems on the fly.	7	Select Record to record the meeting. <i>Note: Recordings will be saved to the Documents folder in a folder called "Zoom."</i>
4	Select the Participants icon to manage participant actions such as muting microphones, turning off video, or promoting them to a host.	8	Select Leave Meeting as a participant to leave. Choose End Meeting as the host to formally close the meeting.
