Action Item

1. Approval of Proposed Revisions to the Sexual Harassment Policy and Procedures and the Non-Discrimination Policy and Procedures

Dr. Grunenwald reviewed Board of Governor mandated changes to the university’s Sexual Harassment Policy and Procedures and its Non-Discrimination Policy and Procedures. He noted that Clarion’s policies had been revised to address requirements related to the provision of crisis counseling options for employees and students; the inclusion of a statement of risk pertaining to relationships in which there is a power or control dynamic (i.e., supervisor and supervisee; faculty and student); the obligation to conduct employee training yearly in addition to training for new students and employee orientations; and procedural provisions for the reporting of complaints when allegations involve the office charged with conducting investigations or the Office of the President.

A motion was made by Mr. Szumigale, seconded by Ms. Dunbar, to approve the following resolutions. The motion carried unanimously.

RESOLVED, that the Council of Trustees, Clarion University, approve the proposed revised Sexual Harassment Policy and Procedures, as submitted by the President on this 15th day of April, 2010.

Information Items

about 40 deposits, and slightly better in transfers. He predicted an enrollment increase of 2% over last year.

2. Commonwealth 2010-2011 Budget

Dr. Grunenwald discussed the state’s budget, which he termed “very austere” and noted his goal of leaving the university with an in-base balanced budget for 2010-2011 and $2.5-3 million in reserves. He acknowledged that fewer and larger-sized classes would be inevitable.

3. Class of 2010 and other Outstanding Student Accomplishments

Dr. Grunenwald highlighted outstanding accomplishments of the Clarion University Class of 2010 and students at large. He noted that the students had achieved their success in the face of national competition.

B. Academic Affairs

Information Items

1. National Survey of Student Engagement

Dr. James reported that Clarion University was once again participating in the National Survey of Student Engagement (NSSE), used to gather data on first-year and senior students. He noted that results would be shared with the university community next Fall.

2. Assessment Monitoring

Dr. James noted that the University Wide Assessment Committee, led by Dr. Jamie Phillips, was working on a follow-up report to Middle States detailing the university’s efforts in the assessment of student learning and institutional effectiveness. Dr. James further noted that the report was due to Middle States by October 1.

3. Middle States Self-Study Visit

Dr. James reported that a steering committee for the university’s upcoming Middle States Self-Study had been formed and would be chaired by Dr. Colleen McAleer. The
group’s first meeting is on May 10, 2010. Noting the need for a trustee representative on the steering committee, Mr. James asked Council members to consider serving in the role and to notify him of their interest.

4. Program Moratorium

Dr. James indicated that the Post-Baccalaureate Secondary Education Certification program had been placed in moratorium due to a PA Department of Education ruling.

C. Finance and Administration

Action Item

1. Approval of Proposed Emergency Operations Plan

Mr. Bylaska provided background on the development of the university’s Emergency Operations Plan (EOP). He noted that while Clarion University had first formulated a plan for emergencies in 2001, the PASSHE’s emergency management consultant URS had recently advised all PASSHE member universities to update their emergency plans to be consistent with PEMA and FEMA requirements. Mr. Bylaska noted that the trustees had already approved a Hazardous Mitigation Plan and that the university also had a Pandemic Plan. He further noted that given the nature of the Emergency Operations Plan, it would not be posted to the university’s web site. He added, however, that the smaller Emergency Guidebook would be
widely shared with the university community as a useful resource for responding to a range of emergency situations.

Dr. Grunenwald indicated that Clarion’s EOP was being used as a model by the PASSHE. He indicated that after every incident, the university’s response is examined and the plan reviewed.

A motion was made by Mr. Kifer, seconded by Mr. McMunn, to approve the following resolution. The motion carried unanimously.

RESOLVED, that the Council of Trustees, Clarion University, approve the proposed Emergency Operations Plan.

2. Status of Facilities Report

Mr. Bylaska reviewed projects on the Status of Facilities report attached to the trustees’ agenda. With regard to the feasibility plan for Tippin Gymnasium, J. Grunenwald noted that five different scenarios were being considered. He indicated that as the planning moved forward, the new President would want to engage the trustees and others on needs within the new or renovated facility.

D. Student and University Affairs

Action Item

1. Approval of Proposed 2010-2011 Health Center Fee

Mr. Tripp reviewed the proposed establishment of a $5.00 Health Center co-payment fee to address a projected deficit in the Health Center operation. He noted that despite operational efficiencies and a reduction in the Center’s staffing and hours, revenue generated by the Health Center fee (3.3% of tuition) had not kept pace with inflation. In response to a question from
J. Kifer about the expected impact of the co-pay on student usage, Mr. Tripp indicated that no issues had been encountered at other PASSHE universities that had introduced a co-payment.

A motion was made by Ms. Dunbar, seconded by Mr. Cioppa, to approve the following resolution. The motion carried unanimously.

RESOLVED, by the Council of Trustees, Clarion University, that a $5.00 co-payment be imposed on each Health Center visit per students, effective with the Fall semester, 2010.
