III. Communications
   A. Public Comments
   B. Report of Student Senate
   C. Report of Faculty Senate
   D. Report of Council Chairperson

IV. Reports and Recommendations of the President
   A. President Whitney

   Action Item

1. Approval of Order of Succession Plan – See Attachment A

The Board of Governors Policy 1983-14-A: Appointing Interim and Acting Chief Executive Officers was revised by the Board on January 24, 2013. Under the revised policy, each university president is required to deliver the campus Order of Succession Plan to the Chancellor after a resolution and vote by the University’s Council of Trustees. Clarion University’s Order of Succession Plan
appears in Attachment A; the resolution to be approved by the trustees appears below:

WHEREAS, Board of Governors Policy 1983-14-A, *Appointing Interim and Acting Chief Executive Officers*, requires that each PASSHE university president develop and publish an Order of Succession identifying, in rank order, members of its university's executive management team who will act on behalf of the president in his/her absence; in the event the president is temporarily unable to fulfill the responsibilities of the position; or in the event there is a vacancy; and

WHEREAS, Board of Governors Policy 1983-14-A, *Appointing Interim and Acting Chief Executive Officers*, requires that prior to the beginning of each academic year, the president deliver the university Order of Succession Plan to the Chancellor after a resolution and vote by the university's Council of Trustees; and

WHEREAS, the attached Order of Succession Plan, provided by the President of Clarion University, lists in rank order the members of President Karen Whitney's executive management team to act on her behalf in her absence or in the event she is temporarily unable to fulfill her responsibilities, or in the event there is a vacancy;

THEREFORE, BE IT RESOLVED, that the Council of Trustees approves and certifies the attached Order of Succession Plan and directs the President Karen Whitney to deliver the Succession Plan to the Chancellor, in accordance with Board of Governors Policy 1983-14-A.

MEMORANDUM
Office of the President

To: Members of the Clarion University Council of Trustees
From: Karen M. Whitney, President
Re: Notice of Change to Trustee Email
Date: June 19, 2015

As some of you are aware, the university has been advised by PASSHE legal counsel that we provide university-issued email accounts to members of our Council of Trustees for use in all university email communication with you. These accounts would be similar to the email accounts that are provided for university faculty and staff. The rationale for this recommendation is outlined below.

Current Configuration for University Email to Trustees

The University’s current approach to sending email to Trustees is to use the Trustee’s personal or business email account. The implications of this approach are twofold:

1. If the University were to receive a request for information under the PA Right to Know Law (RTKL) involving Trustee communication, individual Trustees would have to search any email account used to conduct university business and provide the university with copies of all such email.  
2. If a litigation hold were issued on a Trustee, the Trustee would be obligated to preserve electronically all emails and other documents related to the issue.

Recommended Change for University Email to Trustees

Per the recommended change, all university email to Trustees would be sent to their university-issued email accounts. This approach would result in the following:

1. Should the University receive a request for information under the RTKL involving Trustee communication, Trustees would ONLY need to search their university-issued email account and provide copies of all pertinent email AND/OR the University would complete a search of the university-issued email account and pull copies of all pertinent email. In addition, Trustees may be required to search any local copies of their university-issued email accounts.
2. If a litigation hold were issued on a Trustee, the Trustee would ONLY need to search his/her university-issued email account and the University would preserve electronically all emails and other documents identified by the Trustee on their university account related to the issue. The Trustee would also need to preserve electronically any personal copies of emails and other documents related to the issue from his/her university-issued account.
Implementation of Email Change

1. On Thursday, July 16, 2015, from 4:30 to 5:30 p.m. in Room 108 Eagle Commons, the university will provide a work session where each Trustee will be provided with a university-issued email account that will be assigned a unique username and initial password. Computing Services staff will be on hand to provide support to help reset trustee passwords and, if desired, configure any mobile devices to access the university e-mail account and the university wireless network. If trustees are unable to attend the work session, written instructions, including their new username and initial password, will be provided to them via email.

Please note that the new email accounts will go into effect on Monday, July 20, 2015.

Going forward, trustees can reset their passwords to a value of their choice through accessing the University’s password management tools. The steps for resetting your password are as follows:

a. Go to www.clarion.edu/computing.
b. Select “Password Change” from the Web Services list on the right side of the page.
c. Select “Change Your Password.”
d. Follow the instructions on the page.
   1.) Enter your Username (e.g. t_username@clarion.edu).
   2.) Enter your Old Password (i.e., the initial password provided to you by the University). Enter the password exactly the way it was provided to you.
   3.) Enter the New Password of your choice. Passwords must have a minimum of 8 characters and at least 1 number.
   4.) Select “Change Password.”
e. After the password is successfully changed, select “Click Here” to configure your “Forgotten Password Tool” option. Follow the instructions on the page –
   1.) Select Question 1 from the drop-down list; enter an answer.
   2.) For Question 2, enter a question of your choice; enter an answer.
   3.) Select “Submit A.”

NOTE: For the Trustees’ convenience, our Center for Computing Services has agreed to override the university’s standard 90-day password reset requirement so that Trustees will only have to reset their passwords once a year.

Trustees may access their university email using the Outlook Web App interface. See www.clarion.edu/computing/exchange. This site also includes documentation about various other email features including settings to set up the email for a mobile device if desired. For questions/support concerning your university email account, please contact Sam Puleio, Associate Vice President for Computing Services at spuleio@clarion.edu.

Finally, the University will establish a listserv to provide a single email address that can be used to communicate with the full Council of Trustees. The listserv will be configured so that membership on the list would include the trustees, the President, and the Assistant to the President.

Please notify the President’s Office if you have any questions about the changes outlined above.

Thank you.
