

Associate After Bachelors Policy

Date Effective: Fall, 2014

Issued By: Faculty Senate

Contact: Registrar's Office, 814-393-2229

Purpose:

This policy is to describe the requirements for completing an associate degree after having already earned a baccalaureate degree at Clarion University of Pennsylvania.

Policy:

If a student has earned a baccalaureate degree at Clarion University and wishes to then pursue an associate degree at Clarion University, a minimum of 15 additional credits through Clarion University must be successfully completed and all requirements of the associate degree must be met.
