APPLICATION

UNDERGRADUATE *Admissions* PROCEDURES

With nearly 6,000 students, Clarion University offers world-class academic challenges and the kind of support and personal attention that allows you to thrive and be successful. Our beautiful 128-acre campus is nestled in the rolling hills of western Pennsylvania. With more than 175 academic degree programs and 140 student organizations, Clarion provides opportunities where you can become involved in projects and student activities that will challenge and inspire you from your first semester to graduation. The first step in experiencing what Clarion University can offer you is applying to the university.

Clarion University reviews applications, beginning in July, for the following fall semester. Clarion operates on a Rolling Admission Policy, which means that admission decisions are made as completed applications are received and until spaces in the fall or spring classes are filled. Students who submit an application, with the required credentials, normally receive a response within 5-10 business days.

- 1. Apply online at WWW.CLARION.EDU/ADMISS and save \$5**, or complete the attached paper application. If completing the paper application, please type or print clearly and select your major from the list provided. The application fee for online submission is \$35 and paper submission is \$40 (please submit with application).
 - If you are a high school student, ask your guidance counselor to provide an official copy of your high school transcript to Clarion University.
 - Clarion University accepts either the ACT or SAT test scores. Use our code number (ACT: 3698 SAT: 2649) to send an official copy of your test score report to Clarion University. SAT or ACT scores may also be provided on the high school transcript.
 - Students interested in majoring in the BFA Art or BFA Graphic Art program are required to complete a portfolio for admission to the university. Please contact the Visual & Performing Arts Department for more information at 814-393-2287.
- 2.** An essay and recommendation letters are optional for students, but are encouraged since they can help strengthen your application for admission.
- 3.** We strongly encourage you to visit the campus, and have a personal interview (interviews are not necessarily required for admission to the university). To schedule a visit, go to **WWW.CLARION/VISITUS** or call the Admissions Office at the number below.
- 4. Additional Nursing Requirements:** Applicants for the BSN Clarion Campus, or the ASN Venango Campus program must have completed applications including high school transcripts, SAT/ACT scores and college transcripts (if applicable) submitted no later than **Feb. 15** for admission consideration into the fall class. Students interested in the **ASN Nursing program** also take the National League of Nursing (NLN) pre-entrance exam for consideration into the Nursing program.
- 5.** If you are a transfer student, please have an official academic transcript sent from all schools you have attended, in addition to the application form and high school transcript (if you have less than 15 transferable credits from a regionally accredited institution).
