MASTER OF SCIENCE IN  
**ACCOUNTING**

Clarion's M.S. in Accounting (MAcc) degree prepares students for careers in corporate and public accounting as well as satisfying the education requirements to sit for the CPA exam in almost any state.

The program provides students with essential accounting and financial analysis skills. Graduates are well-versed in major aspects of public accounting, concentrating on taxation and auditing.

Employment opportunities include the "big four" and other CPA firms as well as industry, government and not-for-profit organizations.

The program is completely online and can be completed in as little as one year (full-time).
