You may have already earned an academic credential!

Reverse Transfer Participation and Transcript Release Form

The Reverse Transfer Program is an opportunity for students who transferred from a PA Community College to a PA State System University prior to completing their associate’s degree, certificate or other credential to now earn that initial award. Why participate in the program? Students who receive an associate’s degree, certificate or other credential while pursuing a baccalaureate degree greatly increase their earning power and/or ability to secure a job while taking classes and are more likely to complete the baccalaureate degree in a timely manner. Earning an associate’s degree, certificate or credential on the way to a four-year degree is also a great way to have academic achievements recognized as they are completed.

Students are eligible to participate in the program by meeting the following criteria:

- Transferred in at least 45 credits from the most recently attended PA Community College to a PA State System University;
- Completed at least 15 credits at the PA State System University;
- Earned a grade point average of 2.00 in their courses at the four-year university.
- There are no financial holds on the students’ accounts.

Students who have transferred in at least 45 credits from the most recently attended PA Community College to a PA State System University and have completed at least 15 credits at the PA State System University and have earned a 2.00 in their courses at the four-year university are eligible to inquire about participating in the program. To opt into the program and have an academic evaluation performed to determine what, if any, requirements are still needed in order to be awarded an associate’s degree, certificate, or credential, please fill out the information below and submit it to the Registrar’s Office at Clarion University of PA. A copy of your academic transcript will be sent to (PA Community College) for an evaluation. The Community College will contact you directly stating whether or not you have met the requirements for any particular credential. Questions should be directed to the Registrar’s Office at either institution.

Please complete, sign, and return this release form to:

Clarion University of PA
Office of the Registrar
840 Wood Street
Clarion, PA  16214
The completion of this form indicates my decision to participate in the Reverse Transfer Program between Clarion University of PA and (PA Community College). My signature on this form grants permission to have my academic transcript exchanged between the two institutions for purposes of participating in the Reverse Transfer program.
