Announcing the 2016-2017
Clarion University International Scholar Awards

International Scholar Awards of up to $1,000 are available to full-time Clarion University students (Clarion & Venango campuses) with a minimum of 2.8 QPA

International Scholars Program

The International Scholars Program offers competitive awards to full-time Clarion University undergraduates who plan to study abroad. This scholarship is intended for students whose study abroad experience consists of taking courses, conducting a course-related field experience or research project. The monetary award is intended to support travel, room and board, supplies or tuition for a program that qualifies for academic credit.

Award recipients will be selected by a competitive process administered by the Scholarship Committee of the International Advisory Council. All award recipients must give a presentation on their study abroad experience at the Undergraduate Research Conference held each spring semester at Clarion University. If award recipients will be participating in their international experience during the spring semester, they must give their presentation at an alternative venue that must be approved by their faculty sponsor.

Applications can be obtained in the Office of International Programs, 414 Becht Hall or see below.

Submit application materials to:
International Scholar Award, Office of International Programs, 414 Becht Hall or scan and email to mschlueter@clarion.edu
