SUMMER PROGRAMMES

(Undergraduate and Postgraduate levels)

Students will take part in a variety of team projects in a multicultural learning environment designed to sharpen their problem solving, presentation, and cross-cultural communication skills for each Summer Programme.

RESPONSIBLE MANAGEMENT

- a 2 week programme in June
- 30 hours of classroom teaching
- 6 ECTS credits
- guest speakers
- company visits

The purpose is to provide students with a conceptual framework and practical ideas for understanding how organizations and managers can optimize economic, social, and environmental performance through a successful Corporate Social Responsibility (CSR) strategy.

INTERNATIONAL STRATEGIC MANAGEMENT

- a 1 week programme in June
- 27 hours of classroom teaching
- 6 ECTS credits / 3 US credits
- guest speakers
- company visits

Courses focus on Corporate Strategy with issues specific to the multi-product, multi-location or multi-business firms. The goal is to identify the problems in managing a firm's diverse businesses and locations, and to formulate recommendations based on its current and potential performance.

« I have developed a detailed understanding of CSR concepts in as little as two weeks, which is a huge testament to the teaching team at Rennes School of Business!

I can't recommend this program enough.»

Carissa MCMURRICH, Australian - Southern Cross University

Studying abroad

AN INVALUABLE EXPERIENCE

Studying abroad is an unforgettable experience and adds value to one's degree. Employers will look favourably on an international experience because it enhances student skills and competences such as managing diversity, communicating in different cultural environments, developing self-awareness and self-confidence, autonomy and initiative.

Studying abroad is also an opportunity to build a new network of friends and contacts from all over the world, which is a major asset in an increasingly inter-dependent world.

ORIENTATION WEEK

Rennes School of Business provides an orientation programme for all international students the week before classes start. Sessions are compulsory and cover application for residence permit, health insurance, Internet provider, mobile phone number, bus pass, as well as sessions on French culture, academic expectations and standards.

TEACHING METHODS

Students are given a detailed outline at the beginning of each course (not available beforehand) where the professors provide learning objectives and outcomes, course description and main topics covered, teaching methods and bibliography, method of assessment.

About 60 - 70% of the total mark = final examination. The remaining is assessed on individual and / or group presentations, quizzes, case studies, etc. The final examinations always take place during the last 2 or 3 weeks of the semester and are compulsory for all students.

ECTS / CONTACT HOURS

- 24 - 27 contact hours per course per semester
 - Students can earn between 3 and 6 ECTS per course depending on the programme followed
- 30 ECTS are equivalent to 15 US credits or 60 UK credits*

GRADING SYSTEM

Rennes School of Business uses the ECTS (European Credit Transfer System) grading standard:

Grade	GPA	Grades
A	> 5	> 70% above
B	> 4	> 65% to 69%
C	> 3	> 58% to 64%
D	> 2	> 50% to 57%
E	> 1	> 40% to 49%
Fx/F	> 0	> below 39%

The city of Rennes an ideal study environment

Rennes School of Business is located in Rennes, the capital city of Brittany, 1h25mins from Paris by TGV high-speed train and 1 hour by plane from London. It is considered by the national press as the 4th city in France in which to study ("L'Etudiant", Sept. 2017). Rennes offers the full advantages of a large city while at the same time being convivial in size. Students will benefit from a very attractive urban, sporting and cultural environment: modern sports facilities, cinemas, theatres, cultural centres, museums, libraries, restaurants and pubs.

Studying at Rennes School of Business is a wonderful means to discover the richness of French life, its culture and economy.

The French economy is based on strong values: innovation and creativity, scientific and technological excellence. It is the world's 6th largest economy in terms of exports and the 3rd largest economy in the world for international investments.

The region of Brittany in France has succeeded in developing a highly effective economy based on industry and the service sector. The vibrancy displayed by its 160,000 businesses has resulted in the creation of numerous centres of excellence, in fields such as the automobile, agro-food, transport, logistics, telecommunications, new technologies, tourism and services industries. The quality of life offered by its towns and cities, countryside and coastal areas, its cultural wealth and its historical heritage all play a major part in this region's growth and popularity.

I have chosen Rennes School of Business, as it has a great reputation and because I love to get to know new cultures and people whenever possible. During my time at Rennes School of Business, I had the opportunity to learn from great and knowledgeable professors and to work with so many people from different countries and cultures.

I am confident that this experience has left me well prepared to enter the international work environment after completing my degree!
