Mixed Generations in the Workplace

Today’s workplace is increasingly diverse. For the first time in history, four generations are working side-by-side in the business landscape. In this workshop, you will have the opportunity to examine the defining moments that have shaped each generation and define the ideas for working together as teams. With this insight you will be able to discover opportunities to help develop strategies for building cross-generational success in your organization. Topics to be covered include:

- Understanding differences of generations
- Perceptions of generations
- Steps to take to communicate with different generations
- Appreciative inquiry questions
- Team building and communication
- Relationship building
- Question and answer session
