

Loan Request Change Form
2017-2018

Please complete the following information indicating the type of loan you would like to decline or make changes to. Before completing this form, please read carefully below:

- 1) If you are enrolled in both the fall and spring terms, the total amount you have been awarded is for the entire academic year and split 50/50. If you are requesting to move funds from one semester to another, you understand that requesting this will leave you with less funds in the other semester.
2) All Federal Direct Loans have origination fees deducted prior to funds disbursing to the school. If you are requesting to receive a specific amount of money, please indicate the exact (net) amount you want to receive after fees to ensure that your awards are calculated correctly.
