

# Clarion University Guest Network Self Registration Guide

Last Modified 05/09/2019

Clarion University provides wireless internet access for individuals who have an affiliation with the university; meaning Clarion parents, visitors, alumni, vendors, etc. The guest network follows a self-registration model. Follow the steps below to connect to the network. Registration with a valid cell phone and e-mail address is required.

1. Connect your device to the **cu-wifi-guest** wireless network. Your web browser should automatically redirect to the **Guest Network Portal**. If you are not automatically redirected, open a web browser and navigate to a web page.

2. Click **“Register for an account”**.
