

Great Lakes Institute of Technology

College Spotlight

Due to the COVID- 19 pandemic, we are bringing you a virtual college spotlight every Monday. Today our feature is Great Lakes Institute of Technology.

Great Lakes Institute of Technology is an accredited career and technical school located in Erie, PA.

Great Lakes Institute of Technology offers programs in Dental Assistant, Diagnostic Medical Sonographer, Massage Therapy, Medical Assistant, Medical Billing Specialist, Practical Nursing, Surgical Technologist, Veterinary Assistant, Cosmetology, Esthetician and Nail Technician.

Tuition – Varies by program. GLIT offers Financial Aid in the form of Federal Pell Grants, Federal SEOG grants, PHEAA State Grant, Federal Student Loans, Alternative Student Loans, Institutional Student Education Assistance Foundation (SEAF) Grant, Institutional Scholarships and Veterans Education Benefits.

Room and meal plans – There is no on campus housing, however, there are many local and affordable housing options nearby the central Peach Street location.

Great Lakes Institute of Technology is dedicated to creating a student-centered environment by empowering individuals with the knowledge, practical skills, and experience necessary to reach career and life goals. GLIT does not have a virtual tour online.

For Admissions information, call GLIT at 814-347-8432.
