

## **The Harrisburg Internship Semester ("THIS")**

"THIS" is a prestigious and paid internship in which the student gains an applied understanding of how Pennsylvania state government operates and by interning with a branch of government related to his or her major. Each semester, students from schools in the Pennsylvania State System of Higher Education are selected to take part in this valuable program. The student selected from Clarion University each semester receives a stipend which covers room and board, tuition, and most travel expenses while completing 15 credits in independent study and cooperative education. Sophomore or junior students from any major will be considered as long as their overall QPA is 3.00 or above. This internship is particularly valuable for those individuals interested in government work, graduate school, or a legal career. Applications for each academic year are solicited during the previous Spring Semester. For more information e-mail
