

CLARION UNIVERSITY  
 School of Education, Health and Human Services  
 Department of Communication Sciences and Disorders  
**Student Outcomes Data**

**Graduation Rate:** Program completion rates include number of students completing the program on time (as published) as well as students taking longer to complete the program. Students taking longer to complete the program reflect decisions made by students to extend their program based on a variety of factors (i.e. learning needs, personal factors, etc.) \*Please note that program completion was affected by the COVID-19 pandemic due to the pause in clinical experiences.

**M.S. in Speech-Language Pathology (4 semester program)**

Year of Graduation	Total Number of Students Who Graduated	Number completed in Expected Time Frame	Number completed later than expected	Number not completing program	Percentage of Students who Completed on Time	Overall Percentage of Students who Completed Program
2020-2021	54	45	9	0	83.33%	100%
2019-2020	51	33	18	0	64.70%	100%
2018-2019	61	61	0	0	100%	100%
Three-year average					83.73%	100%

**Praxis Test Passing Rate in SLP:** Data is collected from the *Educational Testing Service (ETS)*

Period	Number of Students Taking Exam	Number of Students Passed	Pass Rate (%)
2020-2021	52	43	82.69%
2019-2020	39	34	87.17%
2018-2019	55	52	94.54%
Three-year average			88.35%

**Employment Data:** Program employment data reflects graduates who have found employment in speech-language pathology within 1 year of graduation.

Academic Year	Number of graduates employed	Number of graduates not employed	Total %
2020-2021	49	2	96.1%
2019-2020	61	0	100%
2018-2019	61	1	98.3%
Three-year average			98.28%
