# **UNDECIDED**?

## CHOOSE WITH confidence

At Clarion University, we offer more than 175 academic degree programs (see the complete list on the back). Our Undecided programs allow you to uncover a field of study, and ultimately a profession, that is a right fit for you.

We understand that deciding on a major isn't easy – and sometimes, it can seem overwhelming. That is why we provide you with a supportive environment to explore majors with the help of advisors in our University Advising Services Center, connections with our Career Development Office and we even connect you with other students through our Discover U living learning community in housing.
