

### REQUEST FOR EXEMPTION FROM UNIVERSITY AFFILIATED HOUSING

Please read this form thoroughly before submitting request. The housing requirement has been implemented for the following purposes: a) support student academic success; b) enhance student development; and c) assist students in making a smooth transition to university life. An exemption request is only considered when a student has not signed up for housing, but is seeking to be exempt from the University Housing Requirement. If you have already submitted a completed housing application and would like to be released from your housing agreement, you need to fill out a "Contract Release Request".

**HOUSING REQUIREMENT: All incoming full-time undergraduate students who are first time in college or a transfer student who is transferring less than 24 credits from a previous institution are required to live in university affiliated housing for their freshman and sophomore year** (or their first four semesters of enrollment at Clarion). On campus housing is considered to be the Hilltop Suites, Suites on Main or Reinhard Villages.

Requests will be reviewed by the appropriate personnel and a decision will be communicated in writing within 10 days of receipt of request. Please note – ALL DECISIONS ARE FINAL.

***This form must be completed each year and an exemption is not guaranteed from year to year.***
